

# 3-in-1 Laser Companion

For Small Office and Home Office

## DCP-7010

3-in-1 Laser Multi-Function Centre

Laser Printing • Laser Copying • Colour Scanning

Quality laser print

User-friendly control panel

Copying of bound documents

Compact design

# DCP-7010

You won't get a sharper print job in your small office and home office, than with Brother's DCP-7010 all-in-one office companion. This 3-in-1 monochrome laser machine not only prints, but also copies and scans from a flatbed window – giving you more versatility for your office needs.

## Small is Powerful

DCP-7010 is designed to pack multiple functions into a minimum amount of space. But, don't be fooled by the compact exterior. DCP-7010 houses all the features you would expect from a high quality laser peripheral.

Despite its monochrome laser technology, the machine is able to scan in full colour, and comes with an intelligent management software tool (ControlCenter2.0) that has a wide range of control features including user-customisation buttons for ease-of-use. DCP-7010 also comes with user-friendly bundled applications like ScanSoft® PaperPort® and OmniPage® OCR software for Windows®, and Presto!® PageManager® for Macintosh®.

Furthermore, DCP-7010 is able to conduct simultaneous operations, enabling you to print documents while copying or scanning, hence saving time.

Its dual ports give flexible connectivity to any home or office, via USB 2.0 or Parallel interface.

## Specifications

| General                     |                                |   |

## Other Great Options

Besides the standard hardware and software features, DCP-7010 comes future-proof so that you can work the machine even harder as your requirements grow. You have the flexibility to connect the machine to a LAN environment using an optional Brother external print server\*, allowing you to share the multiple functions of DCP-7010 with other users.

In addition, you can enjoy wireless connectivity with an optional Brother Wireless USB Device, which can transform your office companion into a wireless peripheral, giving immense flexibility to the increasing numbers of wireless homes and offices.

## Save Money, Save the Environment

To help you save on running costs, DCP-7010 also comes with a separate toner cartridge and drum that prints up to 2,500 and 12,000 pages respectively. Now, you do not have to throw away a still usable drum when your toner is exhausted – a saving that any user will appreciate.

- Prints, Copies and Colour Scans
- Print speeds up to 20ppm
- Up to 250-sheet paper capacity
- Up to 2,400 x 600dpi (HQ1,200)
- USB 2.0 Full Speed + IEEE 1284 Parallel Connectivity

## Supplies

|       |         |  |
|-------|---------|--|
| Toner | TN-2025 | Up to 2,500 A4/LTR pages @ 5% coverage |
| Drum  | DR-2025 | Up to 12,000 A4/LTR pages (1 page/job) |

## Other Information

Brother strongly recommends that our customers use Genuine Brother consumable products only. By using genuine Brother consumables the benefits to you are:

- Better quality prints
- Greater yields per consumable
- Protect your machine from damages
- Achieve optimum performance

Your machine warranty may not cover any damage arising from the use of non-genuine Brother consumables.

At your side.
